## Rome Itinerary

Day 10 ~ Friday March 28 – Morning departure from Israel, flight to Rome

*El Al Airlines ~ Tel Aviv to Rome ~ Included in price if doing full tour or Israel-Rome land only  
Flight #385 Departing Tel Aviv March 28<sup>th</sup> at 7:10am Arriving Rome 8:55am*

Today you continue your Biblical Journey in Rome. Upon Arrival in Rome, you will head for the heart of the eternal city. Enjoy an orientation walk with your tour director, and lunch in one of the famous squares. Continue to hotel Una Deco Roma HB for Dinner and overnight

Day 11 ~ Saturday March 29 - Vatican Museums & Catacombs

This morning you visit The Vatican Museums, Sistine Chapel, and St Peter's Basilica. Almost all Christians martyred in the Circus of Gaius/Nero—the site where St. Peter's Square now stands. The Egyptian obelisk in the center of the square is original to the circus, though it stood in a different spot. Here Peter was crucified, according to tradition, upside down (John 21:18-19). He is most likely buried deep beneath the Basilica in the original burial cave. In the afternoon you continue to the Catacombs. Most famous for the early Christians buried here, the catacombs offer an essential contribution to early Christian art. Early frescoes and sculptures still exist in the catacombs. Most touching are the smaller burial spots carved out for children who had died.

Dinner and overnight at Hotel, Una Deco Roma HB

Day 12 ~ Sunday March 30 - Rome of Apostle Paul Tour

This morning you start your day at the most inspiring place, **Tre Fontane** (Abbey of Three Fountains). Tradition tells us Paul was martyred outside the walls of Rome at a place most people have never heard of—one of the Christian sites not on the tourist maps. Don't confuse Tres Fontane with the famous Trevi Fountain. It's called Tres Fontane ("Three Fountains") because, according to legend, after Paul's head was cut off, it bounced three times, and three fountains sprang up! You gather at the gardens here for your teaching. Next, you see the Church of St Paul outside the walls; many believe Paul is buried here.

Paul went to Rome as a prisoner in chains; Acts 2-28 tells us the story, Arrested in Jerusalem, imprisoned at Caesarea for two years, Paul appealed to Caesar and suffered a shipwreck on his way to Rome as a prisoner. After two years, Paul was released from his imprisonment, after which he traveled and wrote two more epistles before his final Roman imprisonment in Mamertine Prison. You visit **Mamertine** prison today. You continue with a walking tour through **Roman Forum** and towards the Arch of Titus; the Arch's inside relief portrays Roman soldiers carrying off treasures from Jerusalem Temple, destroyed by Titus in 70 AD. Jesus predicted this destruction (MATH 24:1-2) Visit **Colosseum** We continue to Pantheon, Piazza Navona & Trevi Fountain. Dinner and overnight at Hotel, Una Deco Roma HB
