DON'T MISS THE MOST IMPORTANT PART OF THE ADVENTURE!

God's Holy Spirit is right here with you as you read the Bible, and He wants to speak to you through the words! Here are some questions you can ask when you read a Bible passage to help you figure out what God is trying to say. Pick 1-2 questions to answer when you read:

1. What is something that surprises you in this passage?
2. What does this passage say about God?
3. What does this passage say about humans?
4. What did you learn about loving God?
5. What did you learn about loving others?
6. Is there an example to follow (or not to follow)?
7. Do these verses challenge you to make any changes to your words, attitudes or actions?
8. Is there anything in the passage that reminds you of your life today?
